Christ is Risen!

EASTER SUNDAY

Dear Friends in Christ,

Once again, I extend to you and to your loved ones prayerful best wishes for a blessed Easter filled with joy and the peace of our risen Lord.

When the risen Christ appears to the disciples, his first words to them are "Peace be with you". In this difficult and challenging times for our world, we need to reflect on these words in a special way as only our risen Lord can give the world the peace we desire. Throughout Lent, we made penitential sacrifices as a way to draw closer to our Lord.

It is unity with him and his peace that we seek and desire. Each mass, we are united with Christ and the peace of our risen Lord is given to us. May we joyfully and courageously carry his saving peace and graces to our hurting world.

Always be assured of my prayers for you and may God bless you and your families with his peace at Easter and always.

Fr. Jeremias

Theme: Is Failure an Option?

"Failure is not an option!" was the supposed mantra of the engineers who built the Apollo Moon rockets. But in fact, science progresses precisely by failing. What insights to ourselves and our faith can we derive from how science learns from its mistakes?
