PARISH MEMBERSHIP ... Welcome new parishioners! To be a registered member of our parish is to have a sense of belonging to a Community of Faith. Please introduce yourself/family to the pastor and register as soon as possible.

All parishioners especially those who live outside our parish boundaries are expected to complete a Parish Registration form and use Sunday Offertory Envelopes. This will greatly assist the Parish Team when parishioners request sacraments, funerals or letters of reference.

N.B. Please notify the parish office if you change your address or family information.

THE PRE-AUTHORIZED GIVING PLAN

The Archdiocese of Toronto has established a **Pre-Authorized Giving Plan (PAG)** to assist you in your support of the work of the parish through your regular parish offerings. To accomplish the mission entrusted to us by Christ, the parishes depend entirely on the generosity of their parishioners.

PAG giving allows you to give to your parish through scheduled secure monthly transfers from your bank account or credit card and then deposited directly to the parish account. Forms are available in the church. Thank you for your generosity.

REMEMBERING THE PARISH IN YOUR WILL

Have you considered remembering our parish in your will? The Church is where we experience many important moments in our lives. A bequest is a beautiful way to express your faith and gratitude for a lifetime of blessings – a lasting legacy of love that will help the Church continue with its many ministries. When making your will, please consider a Bequest to St. Margaret of Scotland or St. Eugene Chapel.

For more information, please call the parish office or the Development Office of the Archdiocese at 416-934-3411 ext. 519 or visit www.archtoronto.org/development

ANOINTING OF THE SICK

The Anointing of the Sick should always take place in the early stages of any serious illness so that it may be received with true faith and devotion, in this way the sick as well as the family and friends may truly participate and receive real comfort from the celebration. The Sacrament should be celebrated as early as possible before there is a sense of crisis. Families should contact the parish as soon as the situation becomes serious; the sacrament for the sick should never be delayed. When death has occurred, Anointing is not celebrated or administered. The sacraments are celebrated for the living; the dead are remembered through the prayers of the church.
