Happy Easter, friends!

Jesus Christ is risen! These words remain the foundation of our faith-that Jesus truly rose from the dead. He who was lifeless in the tomb was raised on the third day, the glory of God entered the tomb as the Spirit of God brought life back into Jesus' body. Today, in 2026-marked by uncertainty, conflict, rapid change, and moments that can leave us feeling weary or overwhelmed-the resurrection speaks a deeper truth: death, darkness, and despair do not have the final word. Christ has conquered death, and because of Him, we are not trapped in fear or hopelessness, but are called to share in the fullness of life.

This Easter is an invitation to rediscover that hope. It is not only about remembering what God has done, but trusting in His promise for us today-that in the midst of our struggles, our questions, and even our failures, new life is possible. As Jesus says, He came so that we may have life, and have it to the full. May this Easter awaken in us a renewed faith, strengthen our hearts, and inspire us to take the next step in our journey with Him. And as we follow in His footsteps, may we become signs of hope, peace, and love to a world that longs for healing.

Blessed Easter to all!
Fr. Jeremias
